# Celebrity PREDICTIONS FOR 2018!

The ENQUIRER's top psychics REVEAL SCANDALS, shockers and successes for the year ahead!

**T**HE National ENQUIRER breaks stories before they even happen! Last year our experts — along with the world's top astrologers — correctly predicted Duchess of Cambridge Kate Middleton would become pregnant with her third child, Janet Jackson would separate from husband Wissam Al Mana, and Prince Harry and Meghan Markle would get engaged! Meanwhile, our competitors twiddled their thumbs until these events actually happened. Now our team turns their attention to the year ahead, and reveals the biggest stories to come in 2018!

Tom Cruise's ex Katie Holmes will kick undercover beau Jamie Foxx to the curb!

President Donald Trump will enjoy greater popularity as his policies begin to bear fruit, and the national debt shrinks by ten percent!

Vice President Mike Pence will drop out of the public eye as he deals with a family illness that, thankfully, will work out for the best.

Great Britain will be thrown into an uproar when Queen Elizabeth declares Prince Charles and wife Camilla the immediate heirs to the throne — while the public clamors for Prince William and Kate to rule!

Johnny Depp will declare bankruptcy and enter rehab.

Ellen DeGeneres and Portia de Rossi will renew their vows on their tenth anniversary in August, and use the occasion to advocate for gender rights!

Cut-up Jim Carrey will turn his focus from comedy to self-improvement by diving into projects with more spiritual focus.

Former first lady Michelle Obama

will launch her own TV talk show!

Rihanna will have a short-lived reunion with bad boy Chris Brown that will end in disaster!

Christian Bale will have a career crisis with ANOTHER public meltdown, prompting peers and producers to shun him!

Charlie Sheen will suffer from SEVERE health issues that threaten his life!

Angelina Jolie will embark on a new relationship with a leading actor — but will admit to being emotionally tied to a woman!

Khloé Kardashian will give birth to NBA star Tristan Thompson's daughter, but they'll break up by the end of the year.

Tim McGraw and Faith Hill will split, and one will write a hit song about it!

Wedding bells will ring for J.Lo and A-Rod! The couple will marry in a private ceremony on a Caribbean island.

Gwen Stefani and Blake Shelton will have a shotgun wedding, saying "I do" just in time for their baby girl's arrival later this year!

Marilyn Monroe's long-lost daughter will emerge in a highly public and dramatic attempt to win the rights to her famous mother's legacy!

Justin Bieber will propose to Selena Gomez — and be rejected!

O.J. Simpson will draw massive backlash after signing a deal for a reality show that will ultimately be scuttled.

Demi Moore will marry a MUCH-younger hubby number FOUR!

"Scandal" star Kerry Washington will rock a brand-new baby bump by summer!

Tori Spelling will welcome another

baby — but financial strains and cheating fears will finally trigger a split from hubby Dean McDermott.

Blowhard Bill O'Reilly will mount a comeback and get a new TV show — amid a huge public backlash!

Jay-Z and Beyoncé will suffer more marital woes and separate before seeking counseling to repair their marriage!

A health crisis will force radio legend Howard Stern to retire.

Clint Eastwood will make one final film before announcing his retirement at 88!

Scarlett Johansson will become pregnant by "SNL" honey Colin Hanks, and the couple will struggle over whether to tie the knot!

Nostalgia for the late David Cassidy will spark a "Partridge Family" remake with a new teen idol emerging in his role!

Evangelist Joel Osteen's faith will be tested as he'll face

family difficulties and be forced to limit his public appearances.

Ryan Seacrest will split from TV co-host Kelly Ripa, throwing the future of their popular morning show in doubt!

Megyn Kelly will emerge as the new host of NBC's "Today" show after former host Bryant Gumbel turns down the gig.

Mila Kunis and Ashton Kutcher will suffer through marital difficulties and quietly separate.

The 2017 "Bachelorette" Rachel Lindsay and Bryan Abasolo will split before exchanging vows.

Disgraced Matt Lauer will join former "Today" co-host Meredith Vieira in a controversial TV project!

Former President Bill Clinton and wife Hillary will face legal charges involving the Clinton Foundation.

Leonardo DiCaprio will be involved in a career-damaging legal scandal.

"Flip or Flop" star Christina El Moussa will get her own show, and hook up with an older love interest.
